Delivered to Bill Hogan, Counsel, House Armed Services Committee, the transcripts of testimony before the Nedzi Subcommittee on Watergate which were reviewed for security deletions for publication. The transcripts were dated 25 February 1974 (Volume I), 25 February 1974 (Volume I-A), 28 February 1974. Hogan gave me a package of Agency material introduced by Dr. Schlesinger into the record during his testimony before Mr. Nedzi on 11 May 1973, and asked that we review it for security deletions prior to publication. He also gave me a copy of a letter from a constituent to Representative Bob Wilson (R., Calif.), seeking Mr. Wilson's assistance to secure certain photographic materials on Mt. Ararat which the constituent claims the Agency has but refuses to provide, claiming it is classified. The letter had been given by Wilson's office to Hogan, asking for his guidance. [REDACTED] OCI, was advised.
